

Long U Review

stool scoop proof loose maroon
flute refuse value argue rescue
stew jewel view skewer curfew

Bonus Words: Bonus words are meant to be a challenge and will not count against your child's score if spelled incorrectly. They are longer words that may include compound words, suffixes and prefixes, and rule breakers. We will also use them to practice using context clues and prior knowledge to figure out meaning. For each word spelled correctly, your child will earn 1 bonus point. Even if you do not feel your child is ready to practice the bonus words, they will be encouraged to try to spell them on the test because you never know!

This week's bonus words are:

classroom

costume

barbecue

attitude

newspaper
